A short presentation ceremony about the Foundation will take place after the flight has ended. The winners of the Shoot-Out will also be given their awards at this time.

## Meet Mary Emma, also known as ~ STRAWBERRY ~

Strawberry has a rare disease known as Batten Disease, an inherited progressive neurological condition that typically begins in childhood. Batten Disease affects the nervous system and can cause seizures, vision loss, cognitive decline, and loss of motor skills.

Proceeds from the **2024 Clays for Cardio Shoot-Out** will benefit Strawberry and her family along with others who are medically underserved in Southeast Texas.
